Swiss-Swedish R&T Workshop on Image Processing, Visualization & Modeling

9th-10th March, 2009 at ARTORG Center, Berne, Switzerland

Confirmation

The Swedish Embassy in Berne, Vinnova (Swedish Governmental Agency for Innovation Systems), The Knowledge Foundation, The Swedish Trade Council, NCCR Co-Me (National Centre of Competence in Research around Computer Aided and Image Guided Medical Interventions) and Saab AB are glad to confirm to have received your registration for the Workshop on Swiss and Swedish Image Processing Technology Research and are looking forward to welcoming you at the Artorg Center in Bern on the 9th and 10th of March 2009.

Preparations

The intention is to find concrete co-operation possibilities during the workshop. To make the participants as prepared as possible we would like to gather and distribute information about all participants and institutions areas of research ahead of the meeting. For this reason, we kindly ask all attending institutions to send us a short description of

- The organization / institution
- Area(s) of research
- Group of professors working in the different areas
- Short information about each participant of the workshop

Please use the enclosed word sheet and email this **until the 4th of March 2009**.

During the workshop, each organization has the opportunity to present their organization and areas of research during 15 minutes. A laptop and beamer will be available for this presentation.

This workshop, including softdrinks, coffee, two lunches and one dinner is free of charge. Travel expenses and accommodation will be at own cost.

Please inform Mr. Nilzén if you will/or not will attend the dinner on the 9th of March. hampus.nilzen@swedishtrade.se

If you need accommodation, you have the possibility to book a single room at the Hotel Bern where the dinner will be held on the evening of the 9th of March. Price for a single room is CHF 204.— <http://www.hotelbern.ch/hotelbern.html?&L=2> (please add "Gruppe Neuenschwander" as remark to your booking). Pre-reserved rooms must be booked at least 24 h before the 9th March. Bus transfer will be arranged from Artorg to and from this hotel on the evening (19:30) of the 9th and morning (07:40) of the 10th.

Enclosed, please find the draft program, a list of the Swedish and Swiss participants as well as instructions on how to get to Artorg Center.

Draft Program

Date: 9th March at 12.00 – 10th March at 15:00, 2009

Place: Artorg Center, University of Bern, Bern

Schedule March 9th

12.00 Registration, light lunch buffet

13.00 Welcome, Schedule, Practicalities etc
Co-Me, SNSF, CTI, Vinnova, The Knowledge Foundation, Saab

13.30 Swiss delegation of R&T organizations
10-15 min/organization – Briefing on the research

15.00 Coffee Break

15.30 Swedish Delegation of R&T organizations
10-15 min/organization – Briefing on the research

17.15 Coffee Break

17.45 Bilateral meetings between Swiss & Swedish R&T organizations, 40 min each.
During the following 6 sessions Swiss and Swedish researchers have bilateral, detailed discussions on a rotating scheme. Ideas of potential projects are documented in the project summary form. Swiss researcher presents the ideas briefly at the workshop summary session.

- 17.45-18.25
- 18.30-19.10

19.30 Dinner

Schedule March 10th

08.00 Coffee and start-up

08.30 Bilateral meetings between Swiss & Swedish R&T organizations continue

- 08.30-09.10
- 09.20-10.00
- 10.10-10.50
- 11.00-11.40

11.45 Buffet Lunch

13.00 Summary of potential collaborations (Based on collected ideas on summary formats).
Swiss researcher from bilateral discussions report

14.15 Comments from funding organizations and next step

15.00 Final words

15-17 Available time and room for further discussions

Swiss-Swedish R&T Workshop on Image Processing, Visualization & Modeling

9th-10th March, 2009 at Artorg Center, Bern, Switzerland

Participants from Switzerland

Confirmed

Lutz Nolte, University of Bern/CTI

Michael Thali, University of Bern

Volker Koch, University of Bern

Mauricio Reyes, University of Bern

Guoyan Zheng, University of Bern

Stefan Weber, University of Bern

Philippe Büchler, University of Bern

Steffen Ross, University of Bern

Lars Ebert, University of Bern

Michael Bolliger, University of Bern

Christian Jackowski, University of Bern

Silvio Näther, University of Bern

Hans-Florian Zeilhofer, University of Basel

Philipp Jürgens, University of Basel

Jörg Beinemann, University of Basel

Philippe Cattin, University of Basel

Gabor Szekely, ETHZ

Bernhard Reber, ETHZ

Dr. Dominik Szczerba, ETHZ/IT'IS Foundation

Alex Dommann, CSEM

Heinrich Stülpnagel, Zürich University of Applied Sciences

Alex Ringenbach, University of Applied Sciences, Northwestern Switzerland

Dominique Brodbeck, University of Applied Sciences, Northwestern Switzerland

Erik Schkommodau, University of Applied Sciences, Northwestern Switzerland

Markus Thaler, University of Applied Sciences Winterthur

Patrick Roth, CCMT

Beat Butz, SNSF

Swiss-Swedish R&T Workshop on Image Processing, Visualization & Modeling

9th-10th March, 2009 at Artorg Center, Bern, Switzerland

Participants from Sweden

Confirmed

Anders Persson, Linköping University
Anders Ynnerman, Linköping University
Jan Hirsch, Uppsala University
Ingrid Carlbom, Uppsala University
Einar Heiberg, Lund University
Josef Bigün, Halmstad University
Patrik Eklund, Umeå University

Mats Waltre, The Knowledge Foundation
Stina Algotson, The Knowledge Foundation
Staffan Håkansson, Vinnova
Mattias Esbjörnsson, Vinnova
Magnus Ahlström, Saab AB
Billy Fredriksson, Saab AB

Probable

Mårten Sjöström, Mid Sweden University
Bo Nordell, Karolinska Institutet
Staffan Truvé, SICS

Flight

- Swedish participants preferably fly to Zurich and continue with train from the airport

By train – travel directions to Artorg Center (MEM Research Center)

- From Zurich Airport to Bern's main station
 - Trains leaving at XX:13 (direction Genève-Aéroport)
 - Trains leaving at XX:40 (direction Bern)
 - Other trains also possible but takes longer time
- From Bern's main station take one of the following regional train :
 - S1 (direction Münsingen-Thun)
 - S2 (direction Konolfingen-Langnau)
 - S3 (direction Biel/Bienne)
 - S4 (direction Burgdorf)
 - S44 (direction Burgdorf)
- Get off at Wankdorf
- Leave the station at Platform 5
- Turn left and follow the foot-path along the railway tracks until you reach a wooden barn
- Turn right and then left onto Stauffacherstrasse

By car – travel directions to Artorg Center (MEM Research Center)

- From all directions (A1, A6) take highway exit "Wankdorf"
- Continue in the direction Bahnhof until you see a church to your left
- Turn right at the next crossing into Stauffacherstrasse
