

Swiss –Swedish Workshop on Technologies for Security and Critical Infrastructure Protection

March 19th-20th, 2009 at CSEM in Neuchâtel, Switzerland

Confirmation

The Swedish Embassy in Berne, Vinnova (Swedish Governmental Agency for Innovation Systems), the Swedish Trade Council, the Swedish Defense Material Agency (FMV), Saab AB and CSEM (the Swiss Centre for Electronics and Microtechnology, Inc) are glad to confirm to have received your registration for the Workshop on Swiss and Swedish Workshop on Technologies for Security and Critical Infrastructure Protection and are looking forward to welcoming you at CSEM on the 19th and 20th of March 2009.

Preparations

The intention is to find concrete co-operation possibilities during the workshop. To make the participants as prepared as possible we would like to gather and distribute information about all participants and institutions areas of research ahead of the meeting. For this reason, we kindly ask all attending institutions to send us a short description of your organization, areas of relevant research, info on each participant of the workshop. **Please use the enclosed word sheet and email this until the 13th of March 2009.**

During the workshop, each organization has the opportunity to present their organization and areas of research during ca 10 minutes. A laptop and beamer will be available for this presentation.

This workshop, coffee, two lunches and one dinner is free of charge. Travel expenses and accommodation will be at own cost. Please inform Mrs. Lampert if you **will/or not will attend the dinner on the 19th of March.** susanne.lampert@swedishtrade.se.

If you need accommodation, you have the possibility to book a single room at the Hotel Beaulac where the dinner will be held on the evening of the 19th of March. Price for a single room is CHF 195.- / 245.- <http://www.beulac.ch> (please add "CSEM Group " as remark to your booking). We have pre-reserved rooms, but you need to confirm to the hotel asap as there are other activities in the region. Bus transfer will be arranged from CSEM to and from this hotel on the evening (19:30) of the 19th and in the morning (07:40) of the 20th.

Enclosed, please find the draft program, a list of the Swedish and Swiss participants as well as instructions on how to get to CSEM. For train connections please see: www.sbb.ch
